to stay the State of New York's litigation pending the Judicial Panel on Multidistrict Litigation's
("JPML") decision on whether to transfer this case as a tag-along action to the ongoing consolidated
proceedings before this Court;
WHEREAS, before the Southern District of New York ruled on the motion, the JPML
decided to transfer this case to this Court for inclusion in the coordinated pretrial proceedings already
in progress. See Transfer Order (Dkt. No. 2405);
WHEREAS, the parties agree that because this case has already been transferred to the MDL
litigation, the Stay Motion's request to stay the case pending transfer to the MDL is moot;
WHEREAS, on September 22, 2010, the State of New York filed its motion to remand this
action to New York state court ("Remand Motion"), defendants timely opposed the Remand Motion,
and the Remand Motion is now fully briefed;
WHEREAS, on March 15, 2011, the State of New York filed an Amended Complaint in the
above-captioned case (Dkt. No. 2556), and the Amended Complaint asserts claims under federal law;
WHEREAS, the State of New York no longer wishes to remand this action to New York state
court and defendants agree that this action should not be remanded, and therefore the parties agree
that the Remand Motion is moot; and
WHEREAS, the parties have agreed that an orderly schedule for the response to the Amended
Complaint would be most efficient for the parties and for the Court;
THEREFORE, the State of New York and defendants hereby agree:

Case 3:07-md-01827-SI Document 2578 Filed 03/22/11 Page 3 of 6
